SUMMARY

Aspiring Data Scientist with a solid foundation in statistics, Python, SQL, and machine learning, and hands-on experience building analysis and ML projects. Comfortable working with real data sets, writing clean queries, and turning data into clear insights. Currently expanding skills in deep learning and generative AI, with a strong focus on practical problem-solving, continuous learning, and building industry-ready projects

SKILLS

- **Technical Skills** Statistics, Python, SQL, Machine Learning , Deep Learning
- **Soft Skills** Problem-solving, Flexibility and adaptability, Timely management, Leadership and teamwork

PROJECTS

House Price Prediction | Machine Learning (Python, Scikit-learn, XGBoost)

- Built an end-to-end regression pipeline on the Ames Housing data set (1,460 rows, 81 features) to predict house prices.
- Cleaned data using missingness-aware strategies (MNAR/MAR), performed EDA, handled skewness, and applied feature engineering (log transforms, one-hot encoding, scaling in pipelines).
- Trained and compared Linear, Ridge, Lasso, Random Forest, and XGBoost models using RMSE, MAE, and R².
- Used cross-validation to select **Lasso** as the final model due to better generalization performance.

Business Performance Analysis using SQL | SQL Server

- Analyzed revenue, products, and customers using a dimensional model with fact and dimension tables.
- Wrote modular SQL using CTEs and window functions to compute KPIs like AOV, growth, and revenue contribution.
- Identified top products, high-value customers, and sales trends, and performed customer segmentation for business insights.

EDUCATION

Master of Business Administration (MBA) in International Business Directorate of Distance Education , Pondicherry University , Puducherry	Aug 2023 - Apr 2025 CGPA:7.2
Bachelor of Science (B.Sc) in Chemistry Thiru Kolanjiappar Government Arts College, Virudhachalam.	Aug 2017 - Apr 2020 CGPA: 6.9

ADDITIONAL INFORMATION

- **Certifications:** Certified Data Scientist ,International Association Business Analytics Certificate(IABAC)
- **Certifications:** Certified Data Scientist ,IT - ITeS SSC NASSCOM
